

INTRO TO VICTORIES

Weekend and Group Programs for Men

You are invited to a presentation on programs offered by Victories

Victories is a Chicago-based nonprofit organization dedicated to helping men of all backgrounds build stronger relationships with others, greater acceptance of themselves, and increased satisfaction in their lives.

We offer weekend and group experiences that assist men in making positive life transitions through education that emphasizes emotional awareness and healthy communication.

Our programs are built on a solid foundation of accepted theory and practice, reflecting a commitment to the principles of responsibility, integrity, safety, and support.

Our goal is to provide men with an authentic and enriching personal experience as a catalyst for significant personal growth.
