

VICTORIES OPEN CIRCLE

A weekly, drop-in, support group for men

The Victories Open Circle is a weekly, drop-in, support group. While the main audience expected to attend are men who have attended a Victories weekend, the Open Circle welcomes any man to attend who is looking for support or wanting to experience a Victories-like group before attending a weekend. The purpose of this meeting is to provide a safe place for men to share, find support, and offer support to other men. It is an open meeting, so all men are welcome. It will be facilitated by a trained member of the Personal Growth Group Leaders Group.

Why attend the Open Circle?

- You are not a Victories graduate but are looking for support or wishing to learn more about Victories before attending a weekend.
- You want to meet new men in and outside the Victories community for support and meaningful connection with other men.
- You are a Victories Alumnus and want a source of support when you need it.
