BREAKTHROUGH

MAKE CHANGES TO YOUR LIFE WITH THE SUPPORT OF OTHER MEN

During this powerful retreat, men find a safe, supportive and confidential place to explore the past and its impact on their present. They learn to identify and express their emotions, while building new connections with other men.

WHY DO THE WEEKEND?

Men attend this weekend for all different reasons, and each man has a different story. On this weekend, men will discover that they have the tools to succeed, that they are capable and worthy of having the life they want. After completing this weekend, men find greater compassion for themselves and others. With other men by their side, they can continue their journey with renewed confidence, trust and optimism.

WHAT HAPPENS ON THE WEEKEND?

The BreakThrough Weekend incorporates communication exercises, journaling, role-playing, and discussions. While this program can be serious, humor and laughter also play important roles throughout the weekend.

SHADOW

DISCOVERY, ACCEPTANCE, EMPOWERMENT

EXPLORE AND OWN ALL PARTS OF YOURSELF

During this powerful advanced retreat, weekend participants continue their personal journey. Achieve greater wholeness, increased power and improved relationships by discovering and owning the most hidden, valuable parts of yourself.

WHAT HAPPENS ON THE WEEKEND?

Supported by weekend leaders and each other, participants engage in the challenging work of uncovering and embracing their “shadows,” the parts of their inner being that they have worked to conceal from themselves and the world.

By looking deep within and bringing the “shadow” into the light, men rediscover their buried potentials: the strengths of character and individual talents that affirm their warmth and their worth.

COME WITH YOUR GROUP!

We encourage men to have a transformative weekend with members of their PGG. Attending a weekend program like this together is a great way to re-invigorate your group!

The Best Self Weekend is a creative and uplifting experience that provides you with the space to recognize your own strengths, reflect on your own work and learn what may be keeping you from living your best self. Through play, creative expression and group process, men can discover and acknowledge the best of themselves and experience it fully in a supportive and welcoming environment.

WISDOM YEARS

Reaching 50 is more than a milestone. For many men it also signals an important transition, one that brings both new concerns and new opportunities. The Wisdom Years Weekend was created to help men over 50 live with courage and confidence.

WHAT HAPPENS ON THE WEEKEND?

While the weekend can be very serious, activities also include music, song, and ample doses of good-natured humor. On this weekend, men come together in a spirit of respect, safety, confidentiality and hope.

PERSONAL GROWTH GROUP

CONTINUE THE WORK WITH THE SUPPORT OF A GROUP

After each BreakThrough and Wisdom Years Weekend, men can continue their journey together by joining a Personal Growth Group (PGG). A weekend helps a man envision the change he seeks; the PGG helps him make it real. It offers men:

- A circle of friendship
- A place to continue learning and self-discovery
- Connection, support, and acceptance from the men of his weekend
- Accountability and commitment
- Safety – where a man can be vulnerable and authentic

PGG meetings are facilitated by trained volunteers for six months, and most groups continue after the facilitation. Some Victories groups are still meeting five, ten, even thirty years after their weekend.

CAN'T COMMIT TO A GROUP?

Attend the Open Circle! This drop-in support group for men welcomes any man to attend who is looking for support and/or who wants to experience a Victories group before attending a weekend. This group is open to both weekend alumni and new men. Open Circles are currently held in Evanston and Oak Park.

1. WHO ATTENDS VICTORIES WEEKENDS?

Weekends are attended by men from all backgrounds regardless of race, age, religion, sexual orientation, gender identity or economic status. For the BreakThrough Weekend, ages range from late 20's to 70's, the minimum age is 21. The Wisdom Years Weekend is offered to all men over 50.

2. WHY DO MEN ATTEND WEEKENDS?

Men attend weekends for different reasons. Some men want to change something in their life but don't know where or how to start. Others have done previous personal growth experiences and want to try something new. Some men want to connect with other men in order to feel less isolated. Others want to learn how to better communicate with their loved ones. Each man comes with a different story.

3. WHAT ARE THE ADVANTAGES OF PARTICIPATING IN A WEEKEND?

Exploring important issues as part of a group deepens one's experience and personal growth. Men are particularly susceptible to isolating themselves and embracing the belief that "I am the only one who is experiencing this." These weekends provide the validation and healing that comes from the realization that one's concerns and stories are shared and accepted by others. Helping and supporting other men is empowering, providing for personal growth.

4. IS FINANCIAL ASSISTANCE AND/OR PAYMENT PLANS AVAILABLE TO ATTEND THE WEEKEND?

Victories does not want financial obstacles to stand in the way of a man who is ready and willing to do a weekend. We invite men to ask for the assistance they need. Financial assistance and payment plans are available for all weekends and programs. Interested participants should go to our website or contact Victories for more details.

5. HOW WILL I KNOW IF I AM READY TO ATTEND THIS WEEKEND?

Men are ready for this weekend when they decide to make an important change in their lives and/or desire to accelerate their personal growth.

6. IS THIS THERAPY? No.

7. ARE THE WEEKENDS SAFE FOR GAY AND TRANS MEN?

Yes. In every program, Victories welcomes and celebrates all who identify as men across the whole spectrum of sexuality.

8. I AM IN A 12 STEP PROGRAM. IS THIS WEEKEND RIGHT FOR ME?

Victories does not offer professional psychological or psychiatric services or addiction counseling, nor are its programs specifically designed to address the issue of addiction. This weekend is not appropriate for men who are working to manage active addiction. However, men who are in a 12 step program and/or consistently working with a therapist or counselor will find the weekend to be an additional space of compassion and support.

9. WHAT ABOUT CONFIDENTIALITY? All men attending the weekend — participants and staff — sign a confidentiality agreement stating that they will not disclose the statements or experiences of another man. The leadership team will maintain confidentiality except in the case of an imminent threat of harm to self or others.

10. DOES VICTORIES REQUIRE MEN TO SUBSCRIBE TO ANY PARTICULAR SET OF BELIEFS? Victories is a secular organization and has no religious component or affiliation. We welcome men of all religious, spiritual, and secular persuasions.

MENTAL HEALTH PROFESSIONALS

Victories weekend and group programs are an excellent complement to psychotherapy, as they offer men the benefit of peer support. This support can help men further practice the tools of communication, honesty, accountability and emotional intelligence.

Victories values our relationships with mental health professionals throughout the Chicagoland area. Most of our participants are referred to us from a therapist, marriage counselor or life coach.

SCHEDULE AN INTRODUCTION TO VICTORIES SESSION

Weekend leaders and staff members can talk with you and your colleagues about Victories and how our programs can complement the work your clients do in therapy.

ATTEND A WEEKEND: DISCOUNTED RATE AND 15 CEUS

Victories offers a discounted weekend fee of \$250 for male mental health professionals to attend the BreakThrough or Wisdom Years Weekend. Individuals with LCSW, LCPC, LMFT, and licensed Psychologists are eligible to receive 15 CEUs for attending the weekend for an additional \$25 certificate fee.

"The Victories Weekends will allow each client/patient a new and enriching experience so that upon his return to his therapist, he will have hopefully reached a more opened internal self, leading to new insights and understandings to his personal human betterment". - Paul
