LIVE LIFE WITH COURAGE & CONFIDENCE

Reaching 50 is more than a milestone. For many men, it also signals an important transition, one that brings both new concerns and new opportunities. The Wisdom Years Weekend was created to help men over 50 live with courage and confidence.

WHAT HAPPENS ON THE WEEKEND?

On this weekend, men explore how to communicate deeply and honestly, to discuss the most important issues they face at this stage of their lives, to identify what may be blocking them from moving in the direction they really want to go, and to learn how to emerge into greater fulfillment and satisfaction.

While the weekend can be very serious, activities also include music, song, and ample doses of good-natured humor. On this weekend, men come together in a spirit of respect, safety, confidentiality, and hope.

WHAT HAPPENS AFTER THE WEEKEND?

After the weekend, men can continue their journey together by joining a Personal Growth Group. This group is facilitated by trained volunteers for six months, and most groups continue to meet after the facilitation.
